**Mrs. & Mr. Devraj Sharma (Textile Consultant, Age 77 yrs and 75 yrs)**

This is to inform Indian traveling community for traveling in International flights to various countries including China, Hong Kong & Macau. We recommend traveling with InOrbit Tours and Travels especially the senior citizens of India. Mr. OmPrakash Sahgal – Director of InORBIT Tours and Travels accompanied us with 34 citizens of Mumbai for above noted tour of China – Hong Kong, Macau and took so much care of all the travelers that each and everyone expressed their personal satisfaction in all aspects of tour, itinerary, sightseeing and above all the

Indian meals provided especially to us for all the lunches and dinners for all days.

Mr. Sahgal is well-known in Mumbai as Shrawan Kumar for taking very good care of his parents and family, but to us also he proved to be modern “Shrawan Kumar” for taking as good care for a family of 34 in this tour. My wife and myself are indebted and thankful for taking extra out of the way care of us. May god bless him to reach to greater heights. We recommend all the traveling community to select 1<sup>st</sup> option for him for him even if it is for foreign travel enquiry only. You will be satisfied entirely as we did.

Thank you very much for all the troubles you have taken for us. Our family members were very glad to receive the calls from InOrbit Tours informing them the details about ourselves and our movements. We found that this is a unique feature of InOrbit Tours & Travels, which No other Travel Company does.

Whenever my husband and myself read the Slogan "MUMBAI Ko SHANGHAI Bana Denge", there was a Dream in our Mind of visiting CHINA and seeing the beautiful city of Shanghai. This Dream became true only because of your arrangement of Sr. Citizens tour to China. The Great CHINA WALL - One of the Wonders of the World is normally like a Daydream to all of us, but we could see and climb this Great Wall only because of your INORBIT TOURS.

We will always cherish the excellent arrangement organized by you for each of us in all aspects of our Tour without spending an additional PENNY.

This Tour was like a family Get-Together for all the Sr. Citizens. You were like the "Loving CAPTAIN of the Ship" and we were the Naughty Passengers of your Ship. You were a Friend, a Brother, and a Father taking care of all of us. We were moved by your Love and Affection.

This China visit has become one of the LANDMARKS in our Life, for which we are always In-Debted to you. We both wish you and your INORBIT Tours a great success, and wish that in future you will conduct more and more Tours like this "China Tour" and we will be a part of your Group.

We both are happy and wish to join your similar tours in future, whenever possible. Once again sincere thanks

My wife joins me in congratulating you and your team in InOrbit for organizing this unique and memorable tour of China, Hong Kong and Macau. It is unique because it consisted of predominantly a group of Senior Citizens whose average age is over 65 years, some members reaching even past 80 and 90 and memorable because we cherish every moment of our visit to many a historical and cultural monuments some of them world wonders like the Great Wall and

the Temple of Heaven in Beijing. And then you provided us an opportunity to see the modern wonders that man can make of the city of Shanghai and Beijing. The international airports at Beijing and Shanghai, the Maglev Train System in Shanghai, the Venetian Hotels & Resorts at Macau are modern wonders by any standards. The acrobatic show and the exhibition of Kung Fu, the Chinese version of martial arts, will remain etched in our memory for ever.

I will be betraying my own conscience if I do not mention a word about Shri. Om Prakashji. For the excellent arrangement he made for the tour with meticulous planning to see that we have comfortable stay, always going out of the way to ensure that our individual food preferences (like Jain food) are attended to, really deserves kudos from every one of our group. For the love and sensitivity with which Om Prakashji took care of the needs of every member of our tour, we will remain indebted to him.

In fact the presence of Om Prakashji was the best thing that has happened to us during the entire tour of China, Hong Kong and Macau.

With kind regards and all good wishes,

**V.K.L.Pai**
