- Robotics & Automation

ARABLAB connects people from over 85 countries and showcases the very latest laboratory and instrumentation equipment from the world’s leading manufacturers.

Visitors Profile

ARABLAB has always been one of the most influential laboratory and instrumentation events in the world, now dynamic growth has resulted in the show and it is being recognised as one of the most important annual events in the industry calendar. Wherein over 9300 visitors from 85 countries will have the opportunity to meet over 750 Exhibitors from all over the world doing 60% Global Business and 40% Regional Business.

The only trade show for the Analytical Industry that reaches buyers from the growth markets such as the Middle East & Africa, the Indian Sub-Continent as well as China & Asia.

Concurrent Events

MEDILAB

THE BUYING SOURCE FOR EFFECTIVE MEDICAL RESEARCH

The rapidly developing infrastructure of the Middle East, as well as the growth of the population within the region, has meant that Medical Laboratory Management and Clinical Chemistry Management are recognized as growth industries. MEDILAB enables manufacturers to meet with medical technicians and clinical chemists in this dedicated sector of **ARABLAB 2012**.

BIOLAB

THE ONE STOP SHOP FOR THE BIO BUSINESS

With the increased awareness for the Life Sciences & Biotechnology Industry from global markets, the organizers are once again pleased to announce BIOLAB as a dedicated sector of **ARABLAB 2012**.

PETROLAB

THE RESEARCH SOURCE FOR THE PETRO INDUSTRY

Throughout the Middle East the strong global demand for petrochemicals and crude oil has meant that quality control, as well as research and development facilities are expanding at a rapid rate. PETROLAB provides face to face opportunities for technicians working in analysis and testing.

ENVIROLAB

THE KEY TO A BETTER ENVIRONMENT

Much concern is currently focused on Environmental Pollution and the devastating effects if left unchecked. ENVIROLAB provides specialist manufacturers with the opportunity to meet technicians and analysts working in this sector at **ARABLAB 2012**.

NANOLAB

SMALL STEPS LEADING TO GIGANTIC LEAPS

A dedicated sector featuring the very latest 'state of the science' technologies from the world's industry leaders.

Special tour packages

A special travel package for all related to Analytical Industry is arranged by INORBIT Tours Pvt. Ltd. Further information can be obtained from Om Prakash, Director – Inorbit Tours - email: omprakash@inorbittours.com Tel: 022 2422 9281.
