

 CPhI worldwide 2018 Spain

co-located with

Madrid – Spain, 9 – 11 October 2018

Mix with the world of Pharma, products, people &amp; solutions

*by Om Prakash, Director – InORBIT Tours Pvt. Ltd.**Mumbai, 27<sup>th</sup> July 2018***The world's leading pharmaceutical platform**

**CPhI Worldwide 2018**, together with co-located events **P-MEC, ICSE, InnoPack, and FDF**, hosts more than **45,000 visiting pharma professionals** over three days. **2,500+ exhibitors from 153 countries** gather at the event to network and take advantage of more than 150 free industry seminars. **Every sector of the pharmaceutical market** is represented under one roof, this year in Frankfurt, Germany. Attending CPhI Worldwide is the **most cost effective way** to establish new business relationships, **meet with global partners** and stay updated on the latest industry trends.

The exhibition showcases the whole spectrum of pharmaceutical manufacturing and ingredients sourcing, offering products and services that cover the entire supply chain.

- **CPhI Worldwide:** for pharmaceutical ingredients
- **ICSE:** for outsourcing solution providers, contract manufacturing and services
- **InnoPack:** for pharmaceutical packaging and drug delivery systems
- **P-MEC:** for pharmaceutical machinery, technology and equipment
- **Finished Dosage Formulation (FDF):** for every aspect of the finished dosage supply chain

**Ingredients**

CPhI Worldwide represents ingredients businesses on the show floor. Companies within this sector of the pharma industry are divided into different zone profiles on the show floor, assisting you in getting those quality leads.

Product Zones: API's, Pharmaceuticals, Custom Manufacturing, Excipients, Fine Chemicals & Intermediates, , natural Extracts, North American Pavilion

**Machinery, Equipment, Technology**

P-MEC is the best place to find global pharma tech and machinery providers. P-MEC showcases innovative pharmaceutical machinery, equipment and technology to a worldwide forum of decision makers face to face.

### **Contract Services**

ICSE connects the pharmaceutical community with outsourcing solution providers, including clinical trials, contract research, contract manufacturing, biotech, IT, analytical services, packaging services and logistics.

#### **ICSE in brief facts:**

- International stage for companies providing pharma contract services
- Co-located with CPhI Worldwide, InnoPack, P-MEC, FDF
- Connects the pharmaceutical community with outsourcing solutions providers and gathers them in the following zones: Logistics & Cold Chain, Bio Services, (Pre) Clinical Trials, CRO, Clinical Data Management, Analytical and Lab Services, New Exhibitor, General Floor, North American Zone

### **Innovative Pharma Packaging**

InnoPack brings together buyers and suppliers from the packaging and pharmaceutical industries, creating business opportunities through a dedicated worldwide forum.

### **Finished Dosage Formulation**

Finished Dosage Formulation is the first co-located event, standing alongside CPhI Worldwide, to bring every aspect of the finished dosage supply chain together **in one global location**, from Big Pharma and CMO, to out-licensing specialists, end product distributors, end-user agents, and home markets.

**LABWorld** gives you access to a wide range of laboratory equipment. LABWorld connects the pharmaceutical community active in laboratory, analytical biotechnology instrumentation, offering a forum for business development, networking & education.
