

## **World's no. 1 trade fair for Plastics & Rubber**

Düsseldorf, Germany, 16 - 23 October

*by Om Prakash, Director – InOrbit Tours Pvt. Ltd.  
& Ambassador of Messe Dusseldorf*

*Mumbai, 26<sup>th</sup> October 2018*

### **Welcome to K 2019!**

The world's premier fair for the plastics and rubber industry will again be presenting everything the sector has to offer in 2019. Everything from the latest state of the art and trailblazing innovations to development visions. With more than 3293 exhibitors from 60 countries and 232100 visitors from 108 countries.

**K** in 2019 will again be the undisputed flagship event of the industry and hence the ideal business and contact platform for inspirational ideas and forward-looking decisions, on over 173,025 sqm of net exhibition space.

Witness the unique live presentations of sophisticated production units and the most extensive range of machines and equipment worldwide. Together, they offer you improved production, processing and treatment technologies coupled with innovative strategies for enhanced energy and materials efficiency.

### **Main product categories**

The exceptional success and the consistently positive feedback from all participants at K 2016 clearly demonstrate the prominent role that K plays as the world's leading trade fair for the plastics and rubber industry. The broad spectrum of the main product categories

- **Machinery and Equipment for Plastics and Rubber industries**
- **Raw Materials and Auxiliaries**
- **Semi-finished Products, Technical Parts, Reinforced Plastics**
- **Services**

provides the unique level of quality and diversity that form the basis of this most important business platform.

**K** – the ideal platform for competitive advancement in knowledge. With out-of-the-box and forward thinkers who combine theory and practice.

Playing their key part in improving resource and energy efficiency, plastics and rubber are materials of the 21st century. The focus of attention will be not only on optimised standard raw materials, but also on bio-, advanced and reinforced plastics and the latest developments in the fields of structural materials and functional polymers for futuristic applications. Presented by the leading international companies.

### ***Semi-finished products, technical parts and reinforced plastics***

- *Improved efficiency*
- *Progressive technologies*
- *Outstanding composites*
- *Environmentally gentle lightweight construction*

Today, energy-efficient and eco-friendly product solutions are no longer conceivable without plastics and rubber. Bringing together the right selection of raw materials and composites with the best-possible processing methods yields novel products and applications that in many industries culminate in new business opportunities.

**K attracts the world's broadest spectrum of international trade visitors and decision-makers.**

- ***Plastic product manufacturing***
- ***Chemical industry, Rubber manufacturing processing***
- ***Processing Machinery construction Packaging***
- ***Distribution Vehicle construction***
- ***Aerospace, Electronics***
- ***Electro technology, Construction***
- ***Building and living , Medical technology***
- ***Precision engineering***
- ***Optics, ICT, Energy technology***
- ***Photovoltaics,***
- ***Agriculture***
- ***Sports / leisure***
- ***Other industries, Trade, services, Universities, technical colleges, Craft***

#### ***Experience also:***

- ***Special shows***
- ***Theory meets practice at Science Campus***
- ***Innovation Compass***

**Special travel package by official travel agents for Indian Visitors & Exhibitors is organized by:**

InORBIT TOURS PVT LTD., Mr. Om Prakash-Director, who was felicitated by Messe Düsseldorf Organizers of K 2019 as their Ambassador in India for his dedicated services for 44 years. Mr. Om Prakash is the trusted name for organizing travel package for 'K' trade fairs. Details of trade fairs & travel package can be obtained from Mr. Om Prakash email: [omprakash@inorbittours.com](mailto:omprakash@inorbittours.com) tel: 022 2422 9281 or 40436868.
